## Virtual Learning, Real Success

### Principal's Message

As the principal and director of Wish High School, it is my pleasure to welcome you to our online high school in Toronto, Canada. With a team of experienced teachers and professional support staff, we are committed to providing high quality education to our students all around the world. At Wish High School, an accredited Canadian high school by the Ontario Ministry of Education, we greatly value psychological aspects of education, prioritizing motivation, positive reinforcement and encouragement based on our students' autonomy. We are proud to have created an inclusive and diverse learning environment where we strive to help each and every student to successfully finish high school and advance to the university or college of their choice for post-secondary education.
