About Us

Wish High School (BSID# 666506) is a fully accredited online private high school accredited by the Ontario Ministry of Education, headquartered in Toronto, Canada. Founded on the principle that geography should never limit educational opportunity,

We have built a transformative virtual learning environment that brings the rigor and support of Ontario's world-class curriculum to students across time zones and borders. Since our establishment, Wish High School has been committed to removing traditional barriers to education through innovative technology and adaptable programming.

Athlete Pathway Program

At Wish High School, we empower student-athletes to excel in both sport and school. With flexible, self-paced learning and dedicated support, our Elite Athlete Diploma Track ensures you can train, travel, and earn a globally recognized diploma — all on your schedule.

This flexible academic pathway is designed for student-athletes aged 14 and above, combining top-quality education with elite sports training. Students can pursue their Ontario Secondary School Diploma (OSSD) while preparing for university and athletic opportunities in Canada, the U.S., or other countries.
